Together, we can accomplish things that no one person could...

Local nonprofit agency CEOs thank you.

YOU make a difference in our community when you make a donation to United Way of Southern Chester County.

Together, as a caring united community, we can accomplish things that no one person could.

Together, our combined gifts provide over \$1,000,000 in support to local non-profit programs serving people in need from infants to the elderly.

A donation to UWSCC means local people have food in their bellies, a roof over their heads, heat and electric in their homes, wellness programs for seniors, after-school mentoring for teens, quality daycare for children, and a health clinic when sick, plus help when they are a victim of crime or abuse, searching for a new job, and just hitting a rough patch in life.

YOUR donation makes our southern Chester County community stronger, safer, healthier, and happier.

What will we do together this year? Please join 1,700 of your neighbors in supporting YOUR United Way. Look for a solicitation letter in your mail this fall. Working together — and only together — we make southern Chester County a better community for all of us.

ENDOWMENT... a permanent source of funding

United Way of Southern Chester County established an endowment fund in January 2004 to permanently benefit our community.

Its purpose is to:

- Cover administrative costs SO EVERY CAMPAIGN DOLLAR RAISED IS ALLOCATED TO THE COMMUNITY
- Fund innovative new programs
- Ensure a consistent base of funding for local nonprofits during tough economic times

Why should I give to the endowment?

Give a gift to our endowment if you:

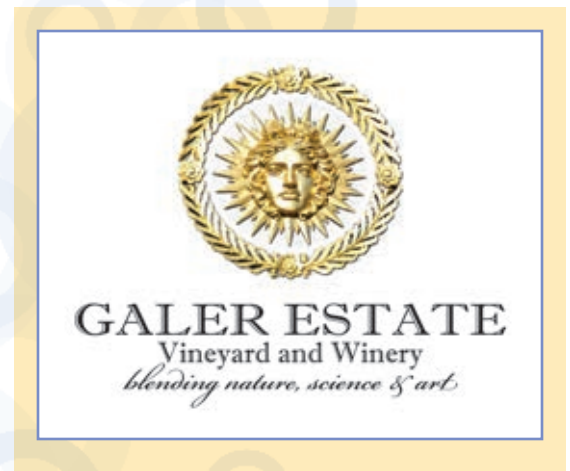

- Care about our community and believe in UWSCC's mission.
- Want UWSCC to always be here, making our community stronger.
- Have the ability to give another gift of any size, over and above the gift you give to support our annual campaign.

Your gift to the endowment will be added to your campaign donation for reporting purposes in our annual report.

Need another reason to give a \$100 gift?

Galer Estate Vineyard and Winery supports UWSCC and wants to encourage you to give to our endowment!

Galer Estate wine has won over 60 awards including Best of Shows and Gold Medals in Napa, Sonoma, and Finger Lakes regional competitions. The winery is a beautiful place to relax and enjoy the nature, science, and art of wine. Galer Estate will give each endowment donor giving \$100 or more by July 10th a free wine tasting experience for up to 4 people. A coupon will be sent when your endowment gift is received.

All donors giving \$100 and up to the endowment by July 10th will also be entered in a raffle for a chance to win a basket of 5 wines.

The power of a bequest...

We deeply appreciate the forward thinking of Howard M. and Jean H. Miller who wrote a bequest to UWSCC in their will. Upon their deaths, UWSCC received a \$69,250 bequest which will provide for local needs in perpetuity. Bequest gifts, large and small, have a meaningful impact and are the simplest way to give back and perpetually take care of the community that you love.

What's an endowment? An endowment fund is a permanent, self-sustaining source of funding for an organization. Endowment assets are invested. Each year, a portion of its value can be paid out to support the fund's purpose while additional earnings continue building the fund's value. In this way, an endowment fund can grow and provide support for its designated purpose in perpetuity.
