It's not enough...

that your United Way monitors the effectiveness of our partner agencies

that your United Way promotes volunteerism throughout our community

that your United Way raises and distributes over \$850,000 to non-profit programs serving the human needs of our southern Chester County community

We also identify and develop programs to address UNMET needs, immediately impacting lives and providing solutions.

Three examples of newly-developed programs:

LIFT: Literacy In Financial Training

A MAJOR NEED: Southern Chester County lacked a local free program to teach basic financial literacy. Families struggle financially month-to-month without the support to understand and use basic money management tools.

OUR SOLUTION: United Way collaborated with all four of our Rotary Clubs in southern Chester County and developed a

comprehensive one-on-one mentored budgeting course. Interested families/individuals are paired with a private tutor for nine weeks. During the weekly meetings, they complete a curriculum on budgeting, which includes weekly homework and skill building.

COMMUNITY IMPACT: Families and individuals learn how to shore up their own family budget and can begin the journey to self-sufficiency.

WHAT CAN YOU DO?: Volunteer to train to become a LIFT Program mentor...trainings are held 3 times a year. Upon completion of the training program, you will be matched with an interested family for a nine-week mentoring cycle. Mentoring sessions are tailored to your availability, typically in the early evenings once a week. Contact United Way for more information.

Online Training Programs

A MAJOR NEED:

Grassroots non-profits begin with a recognized need and a dedication for their mission. As the organization evolves, they often lack the resources or time to provide staff and volunteers with the necessary management and organizational procedures to continue to meet their goals.

OUR SOLUTION:

United Way developed a resource library of online on-demand training modules for small non-profits on topics such as Basics of Grantwriting,

Board Member Roles and Responsibilities, How to Run an Internal Audit, and Develop Outcome Measurements for your Agency.

COMMUNITY IMPACT:

Local non-profits will build the skills to be more efficient and effective and compete more successfully for limited donation dollars.

WHAT CAN YOU DO?: If you are a professional with skills that would be beneficial to a non-profit organization, contact United Way to collaborate on an online training presentation.

Transportation to Healthcare

A MAJOR NEED:

Southern Chester County lacks an effective public transportation system. Many of our low-income families survive with no car. Dads catch rides to work, leaving mothers home with their children and no transportation. This situation truly becomes problematic when women and children can't get to needed healthcare appointments.

OUR SOLUTION: United Way started a volunteer driver program. Through a coordinated network of volunteers, drivers will pick

up a family and transport them to their scheduled appointments at the doctor or clinic, wait for them, and return them back home.

COMMUNITY IMPACT: Families receive the preventive healthcare they need. Our community is healthier.

WHAT CAN YOU DO?: Become a volunteer driver and help us recruit others. We can tailor your volunteering around your own busy schedule. A typical volunteer opportunity involves a 3-hour block of time on a morning or afternoon during the workweek. Contact United Way for more information.

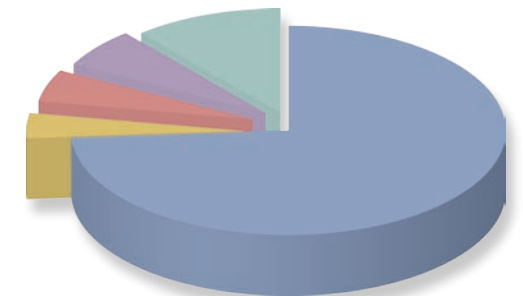

Financial Summary for 2008–2009

REVENUE

Total Campaign	1,139,465
Interest	7,973
TOTAL REVENUE	1,147,438

EXPENSES

Community Impact Expenses:	
Allocations to Agency Programs	835,000
