QPR (Question, Persuade, Refer): Suicide Prevention Training

Wednesday, September 16th
6:00 - 7:30 PM

 Chester County Hospital
701 E. Marshall Street
West Chester, PA 19380

Christina Gamez, MSN, RN-BC, EBPC, HTCP
Sharon Barnes, Ph.D, RN

QPR is a nationally recognized suicide prevention training developed by a clinical psychologist and created for everyday citizens. It requires no clinical or educational background.

Upon completion of this class, participants are certified as Gatekeepers. These individuals are trained to recognize warning signs in people who may be contemplating suicide. Gatekeepers help by following the simple QPR steps and by providing HOPE!
