

Dear Friends,

Tick Tock Early Learning Center cordially invites you to join us for our 31st Annual Golf Classic at the award-winning Hartefeld National Golf and Country Club on Monday, April 29, 2024. This is Tick Tock's most successful and important fundraiser each year. We fully anticipate yet another wonderful day of golf, friendly competition, and generosity to support the future of our beloved school.

Tick Tock Early Learning Center relies on our fundraising to support our day-to-day operations, and this year is no exception. Finding affordable, quality child care and early learning options should never be a burden that prevents a parent from being able to work. Since 1964, Tick Tock Early Learning Center has been providing exceptional child care and preschool programs for the children of working families. These programs help children develop the skills they need to succeed in kindergarten and throughout their school careers while allowing their parents to remain in the workforce and contribute to our local economy. It is through the generosity of people like you that this is possible.

Funds raised during the Golf Classic are critical to delivering the highest quality education to the greatest number of children in the safest setting possible. We hope you will consider joining us as an Event Sponsor, Golfer, or Volunteer. Every dollar matters in securing a healthy future for our students, so please take a moment to read through the available sponsorship and player packages and make a tax-deductible donation to invest in Tick Tock Early Learning Center and our community's future.

With gratitude,

Susan K. Czerwin  
Executive Director
