UWSCC IN THE COMMUNITY

Raising Awareness for Sexual Assault Awareness Month

Last Wednesday, we joined forces with Crime Victims Center of Chester County to show our support for survivors and raise awareness about the impact of sexual assault. Look out for the blue ribbons and signs adorning Kennett Square, symbolizing unity and strength in our community.

Together, we can make a difference and create a safer, more compassionate environment for all. Let's stand together against assault and support survivors on their journey to healing.
