UWSCC IN THE COMMUNITY

Turn Idle Time into Positive Action: Volunteer with Us This Summer!

The dog days of summer are here, and with students having more idle time, it's the perfect opportunity to make a

difference in our community.

At United Way of Southern Chester County, we believe in the power of giving back and the importance of setting a positive example for our youth. By volunteering, students can turn their free time into meaningful action that benefits everyone.

Why Volunteer?

- **Model Giving Back:** Show your teens the value of community service and inspire the next generation of volunteers.
- **Make an Impact:** Your time and efforts can make a significant difference in the lives of those in need.
- **Build Community:** Strengthen connections within our community and foster a spirit of unity and support.

How to Get Involved:

- **Volunteer with Your Teen:** Share the rewarding experience of giving back together. It's a great way to bond and instill valuable life lessons.
- **Student Volunteer Opportunities:** Many partner agencies have various opportunities appropriate for students to get involved and make a positive impact.

Together, let's make this summer a season of positive change and community engagement.
