## UWSCC IN THE COMMUNITY

### **Board Member Soyica White Donates Time to Chester County OIC for Professional Development Day**

On July 19, Chester County OIC (CCOIC) held a highly successful Professional Development Day, thanks in large part to the invaluable contribution of board member Soyica White.

Dedicated to helping neighbors prepare for upcoming hiring events, Soyica

generously donated his time and expertise to guide CCOIC students, alumni, and community members.

Often, seasoned professionals may take for granted their understanding of terms like Job Fair, Opportunities, and Networking. However, through its many years of mission-oriented work, CCOIC has mastered the art of keeping customers at the center of its design. Questions such as "What does it mean to network?" "How do you identify a network?" "What are the best tools to utilize a network?" "What is a job fair?" "What do you do at a job fair?" and "How do I know if an opportunity is the right fit for me?" were at the forefront of the day's discussions.

Soyica White's dedication and insights helped clarify these concepts for the attendees, ensuring they felt more confident and prepared for networking and job fairs. United Way SCC extends its heartfelt gratitude to Soyica White for his time and commitment to empowering our community members. **His contribution exemplifies the spirit of service and the positive impact that dedicated individuals can have on our community.**
