Community Transformation: Creating Lasting Change Together

At United Way Southern Chester County (UWSCC), we are committed to driving long-term, sustainable change in our community. By addressing the root causes of social issues, we aim to create lasting solutions that transform lives.

For example, our education initiatives not only help children succeed academically but also provide support to families, ensuring a stable and nurturing environment. Our agency's workforce development programs equip individuals with the skills they need to secure family-sustaining jobs, contributing to the overall economic health of our region.

Your support enables us to implement these transformative programs, creating a brighter future for all residents of Southern Chester County.

Thank you for being a catalyst for change.

CONVERSATIONS FOR COMPASSIONATE CHANGE:

STATE OF SOUTHERN CHESTER COUNTY

STATE OF SOUTHERN CHESTER COUNTY

Join United Way of Southern Chester County for an important community conversation about how local non-profits are serving the needs of our neighbors who find themselves struggling to keep their households from financial ruin, often while keeping our local community running.

Event Details:

- Date: Thursday, October 3
- Time: 7:00 PM
- Location: Kennett Library

The conversation will place a special emphasis on how our area non-profits are helping to meet the needs of those in the A.L.I.C.E. (Asset Limited, Income Constrained, Employed) population.

This is a critical opportunity to learn more about the challenges facing our community and the efforts being made to support those in need.
